**“Our Aim at the Academy is to guide you in your career quest in becoming a Cabin Crew Member”**

**CELEBRATING 20 YEARS OF**

**“BRINGING THE SKY TO THE PEOPLE OF SOUTH AFRICA”**

**QAS Aviation Academy** is the **1st** leading private Aviation Cabin Crew Training Specialists in the country.

Established since 1997, QAS has offered an unrivalled range of services for students to enable them to compete successfully and professionally in the National and International Aviation arena.

**QAS Aviation Academy's** unique and revolutionary approach in the training of Cabin Crew ensures your learning experience is the start of a lifelong developmental process in a profession you will be proud of.

**QAS Aviation Academy** offers intensive training programmes by specialised licensed Instructors and Aviation Industry experts. The Academy is registered and licensed with the Civil Aviation Authority (CAA00/98) at Midrand and holds full TETA accreditation.

Our Intensive Training Programmes encompass the knowledge and practical training needed to become an efficient Cabin Crew Member. Whilst a lifestyle of travel, meeting people and excellent rewards can be yours, it is only attainable through gaining knowledge on best practices and guidance to assist you.

Our Cabin Crew programs are designed to incorporate all facets of the career and the Academy provides comprehensive knowledge and skills to assist you in your quest of becoming a Cabin Crew Member.

Our 20 years of experience proves that once you have put time and effort into developing yourself for the career, you will be put ahead of the fierce competition on the job market. Your South African Civil Aviation Authority License will open doors!

**COMING “ON-BOARD” ASSESSMENT AND PROCEDURE:**

Your admittance to the Academy, requires that you participate in the Potential Index Battery (PIB) Competency Assessment.

This, together with the registration pack is at a cost of **R650.00**

PIB Results Report will be made available to you.

Should your results prove your competency suitable to be a Cabin Crew Member; a non-refundable 50% deposit of the course cost will be required in order to book your seat.

On registration, you will be handed a Pre-course workbook in order to prepare you for the journey ahead.
